Subject: REFERENCE LETTER

Rössing Uranium Ltd and Mosmart Namibia enter into a three year contract for Dust Suppression in December 2012. With this contract Mosmart Namibia supply product and do maintenance of primary roads within Mining Operational areas.

We have a performance scorecard system which is assessed each month and for all the criteria, Mosmart scored above target. For the period they provide dust suppression on site they have no safety incident. All their staff are trained and certified competent to operate Heavy equipment. Their site supervision demonstrates the required level of leadership and all their equipment meet RUL safety standards.

Yours sincerely
